

WE WISH YOU A MERRY CHRISTMAS

By Howard C. Avril

We wish you a Merry Christmas
and a Happy New Year
We wish you glad tidings
and plenty of cheer

We wish you great memories
from each Christmas passed
We wish that your memories
from this one will last

We wish you great music
that has so much to say
We wish you the spirit
beyond that one day

We wish you a morning
filled with family love
We wish you God's blessings
sent down from above.
